3. This campaign is applicable only by trading Forex (all), Metals (all), Energies (all), and Cryptocurrency (Bitcoin only). Other financial products are not applicable.
4. The maximum cashback a client can receive is \$500.
5. During the campaign period, all eligible clients will receive a \$1 cashback per lot traded.

6. During the campaign period, all trades executed on the WeTrade App from qualifying accounts registered under the same name will be counted towards the total trading volume.

For example, if a client opens 30 lots on 25/03/2026 and then opens 10 lots on 05/04/2025 via the WeTrade App, and later closes all 40 lots, the client will receive \$10 cashback (only trades placed during the campaign period are counted).

7. This campaign cannot be combined with the Starter Cashback campaign. If the Starter Cashback campaign is available, eligible clients will be prioritised to participate in that campaign. New deposit clients will only be eligible to participate in the APP Mega Cashback campaign after the Starter Cashback campaign period has ended or after they have received the maximum rewards.

8. Trading volume calculation period for new clients: One month from the first deposit date. For example, if a client makes their first deposit at 09:00 (platform time) on 06/04/2026, the trading volume calculation will end at 09:00 (platform time) on 06/05/2026.

The rewards can be withdrawn, transferred to a trading account for continued trading, or kept in the WeTrade Wallet to earn additional Reward Points.

12. WeTrade reserves the right to modify the campaign terms or disqualify clients who abuse the rules of the campaign without prior notice, and retains the final interpretation of the campaign.

13. In case of any discrepancy in translation, the English version shall prevail.
