During the competition, WeTrade will rank participants based on their profit rates. The top ten traders will receive corresponding cash rewards and honorary recognition.

To join, simply log in to the WeTrade Client Portal or App, open your competition trading account, and get ready to trade at the highest level.

Terms and Conditions

1. The competition is open to all traders worldwide. Each participant may apply for one competition account only.
2. Once identity verification is approved, participants may apply for a dedicated competition account in the competition section of the Client Portal or app.
3. Each demo competition account will be credited with an initial virtual balance of \$1,000. Leverage may be set as floating or fixed according to the participant's preference.
4. During the competition, the profit rate is calculated as:
$$\text{Profit Rate} = (\text{Current Net Equity} - \text{Initial Net Equity}) \div \text{Initial Net Equity} \times 100\%$$
5. Each participant is entitled to two free balance resets and two additional resets by redeeming 10 points each. Resets can only be performed when no positions are open, restoring the virtual balance to \$1,000 and resetting the profit rate calculation.
6. In the event of a tie in profit rate at the end of the competition, rankings will be determined by the number of account resets used, followed by total trading volume.
7. Prizes will be credited to winners' WeTrade wallets within five working days after the competition ends. Prize funds can be withdrawn, internally transferred to a live trading account, or retained in the wallet to earn additional points.

8. After the competition ends, competition accounts will become read-only and cannot be used for further trading. All open positions will be force-closed, and accounts will be archived within five working days after the results are announced.

9. The use of multiple accounts to conduct malicious hedging to gain an unfair advantage is strictly prohibited. Any participant found engaging in such behaviour will have their results disqualified by WeTrade.

10. Any form of arbitrage trading or other abuse of pricing/quotations will result in disqualification.

11. EA (Expert Advisor) trading is permitted.

12. The competition leaderboard is updated every hour. In the event of network delays or other force majeure factors, participants may manually refresh the page.

13. Participants are responsible for declaring and paying any taxes or fees applicable to their prize money.

14. The top three winners shall be deemed to have agreed that WeTrade has the following rights:

- a. To publish the winners' photos, images, and videos on the official website or other social media platforms.
- b. To require the winners' cooperation in video recordings, interviews, and attendance at award ceremonies or other promotional events.

15. WeTrade reserves the right to terminate the competition at any time without prior notice, and to delete, amend, supplement, revise, restrict, withdraw or modify any of the competition terms. WeTrade also reserves the right to cancel the eligibility of any participant who breaches the rules, and retains the final interpretation rights of the competition.

16. These terms are a translated version. In the event of any inconsistency with the English version, the English version shall prevail.
